

Azeez Khan

B.Tech (3rd Year), MIET | CGPA: 7.5

Email: akwarsi8823@gmail.com | Phone: +91-XXXXXXXXXX

Objective

Motivated B.Tech Computer Science student with practical experience in AI training and development. Passionate about applying artificial intelligence to solve real-world problems. Seeking opportunities to work on innovative projects and contribute meaningfully to the tech industry.

Education

Meerut Institute of Engineering & Technology (MIET)

B.Tech in Computer Science Engineering | 2022 - Present

CGPA: 7.5

Experience

AI Trainee - AI Learning Program | 2024

- Hands-on experience in AI model development, training, and deployment
- Developed an AI-powered chatbot for student query resolution using Python and TensorFlow
- Learned practical applications of machine learning, model evaluation, and AI ethics

Projects

AI-Based Student Query Chatbot (2024)

- Built a chatbot to answer student queries using NLP techniques.
- Technologies: Python, TensorFlow, Flask, NLTK

Face Recognition Attendance System (2023)

- Automated attendance using real-time face recognition.
- Technologies: Python, OpenCV

Stock Price Predictor (2023)

- Created a stock trend prediction model using regression algorithms.
- Technologies: Python, scikit-learn

Azeez Khan

B.Tech (3rd Year), MIET | CGPA: 7.5

Email: akwarsi8823@gmail.com | Phone: +91-XXXXXXXXXX

Technical Skills

- Languages: Python, C++, Java (Basic)
- AI/ML: Model Training, Deployment, Supervised Learning, Data Preprocessing
- Tools: TensorFlow, OpenCV, Flask, Git

Certifications

- AI Fundamentals - 2024
- Machine Learning Crash Course by Google - 2024

Achievements

- Top 10% in AI Capstone Project Presentation at MIET
- Conducted AI workshop for juniors
